WHO WE ARE

Zhejiang Minzo New Materials Co., Ltd. is a family owned company. Founded in 2001, Minzo has been growing, and fast, and today we're proud to be the biggest manufacturer and exporter of Artificial Fences and Green Walls.

Over the past 22 years, we have developed strong and happy relationships with many of our customers from more than 100 countries, who today, are great, great friends of Minzo! And to them, such as Home Depot, Carrefour, Kingfisher, Bunnings, Sodimac and so on, we are very grateful for their friendship and business partnership.

Our factory is qualified by BSCI, ISO9001, ISO14001 and ISO45001, which guarantees our products and production lines with highest quality. So far, Minzo has achieved more than 80 patents and thousands of products. We constantly innovate to give refreshing choice. Following a new legislation of Euro market, we also provide GRS product options.

"Better Environment with Minzo", our aim is to give our customers most beautiful green walls, outstanding service, constant innovation and profitable growth.
